

Once the above information is submitted and reviewed by the Board and Membership, the applicant must undertake a facility tour and audit to the Canadian Auto Recycler's Environmental Code (CAREC). The results of the audit will be used to provide a final approval of the application. More information and audit resources can be reviewed and downloaded at www.carec.ca.

Read and initial the following Standard Agreements:

ARAAC Code of Ethics

As a condition of membership, or continued membership in the Automotive Recyclers Association of Atlantic Canada, I/we accept the following responsibilities:

- To operate according to the ordinances, statutes and laws of the various jurisdictions that affect our business;
- To determine, within all practical limits, the quality, condition and fair market price of each automotive part offered for sale and represent the same to other recyclers and the public as accurately as possible;
- To promote the conservation of energy and total utilization of our natural and manufactured resources;
- To be compatible business neighbours while maintaining the highest standards of business ethics and conduct;
- To maintain a clean, safe and non-polluting environment in and around our business;
- To treat the customer in a fair and professional manner, clearly identifying any and all warranties or conditions prior to sale; and,
- To participate as much as possible in the functions and activities of the Association and where possible lend my/our business and professional expertise for its further development.
